“It’s a privilege to be appointed to the role & to lead an organisation focused on raising the voices of people with a disability, with choice & control. I’m

eager to explore what the organisation’s next phase looks like & within that, improve the lives of people with a disability and their carers, focusing on what the individual can do.”

Volunteer with Mulleraterong

Maureen brings knowledge & passion to her art & craft, cooking & gardening sessions.

"I love the participants, they're just so grateful & the staff are amazing & really make me feel valued ... it's just such a lovely place to be. It's connected me with Hamilton. I can go up the street now & see a familiar face & say 'hello' & it's the kind of connection you would only get from raising children in the area."

This month the Centre recognised Maureen with a thank you gift.

On the farm

Farm visits give Participants the opportunity to experience farm life by interacting with & caring for farm animals.

Starting this month, farm visits will take place at our host farm near Byaduk - with thanks to our host, Robyn - each Tuesday.
